

MoU signed between NRSC, Hyderabad and NIAS, Bengaluru

National Remote Sensing Centre (NRSC) and National Institute of Advanced Studies (NIAS) entered into a MoU for the joint initiatives in advanced space applications. The MoU was signed by Dr. Prakash Chauhan, Director, NRSC, ISRO and Dr. Shailesh Nayak, Director, NIAS at a function at NIAS campus, Bengaluru.

The main purpose of the MoU is to encourage research-oriented collaboration between the faculty/scientists, researchers, and students to pursue joint research activities, based on mutual interests, using remote sensing and geospatial technologies and development of geospatial database in various applications like archaeology, urban expanse, air quality, environment, energy, etc., and dissemination of the same on Bhuvan platform based on prevailing policy guidelines. The duration of the MoU is five years.

Memorandum of Understanding signed between NRSC and NIAS
