## DESCRIPTION

Regional Remote Sensing Centre – East, Kolkata celebrated NRSC Golden Jubilee by organizing one-day awareness programme on space activities for school students of classes VIII to XII on 13<sup>th</sup> August, 2024. Total 56 registered participants (48 students and 8 teachers from 6 schools) from Kolkata and surrounding districts attended the programme.

The programme started with the welcome address by Dr. Arati Paul. Subsequently, Dr. Arindam Guha, Head, Applications, RRSC-East delivered a scientific talk on “ISRO’s Planetary Mission: A Science Overview”. This was followed by drawing & painting competition for the students (two participants from each school). The topic for the competition was “Touching lives while touching the Moon”. Visit to the Exhibition Hall and video shows on different ISRO missions were arranged for the remaining students and teachers. In the post lunch session, quiz competition was organized for the students (a team of two students per school). After the quiz competition, Shri Suparn Pathak, Deputy General Manager, RRSC-East delivered a talk on “Overview of Indian Space Programme & Capacity Building”. This was followed by a brief interactive session. Next, there was prize and certificate distribution for both the competitions. Further, vote of thanks was delivered by Dr. Tanumi Kumar. The programme ended with National Anthem. The programme schedule is given in Table 1. Glimpses of the programme are given in Annexure-I. Annexure-II and III contains the list of participants for the drawing & painting and quiz competitions, respectively.
