

India International Science Festival (IISF) Curtain Raiser programme
Organised by NRSC / ISRO - @NRSC, Shadnagar Campus on 8-Jan-2024

National Remote Sensing Centre (NRSC), Indian Space Research Organisation (ISRO) organized an event towards popularizing Science, Technology, Engineering and Mathematics (STEM), with major emphasis on Space Technology, on 8-Jan-2024, as part of curtain raiser for India International Science Festival (IISF) at NRSC, Shadnagar campus, Hyderabad.

Dr Prakash Chauhan, Director, NRSC, Prof P Laxminarayana, Registrar, Osmania University, Shri Shrikant Sinha, CEO, TASK, Govt of Telangana, Dr Ramesh Babu, ViBharepresentative & Scientist, Atomic Mineral Division, Dr Naveen Kumar, Director-IS, Osmania University, Shri G Srinivasa Rao, Group Director (Outreach), NRSC addressed the students.

About 370 students from various schools and colleges participated in this programme. These students visited various world class facilities related to Satellite Data Acquisition, Antenna Systems, Data Centre, Control Room, National Database for Emergency Management, etc. Students were truly inspired by the developments in the Space Sector and got fascinated by seeing applications of satellite imagery for societal development.
