**One day Awareness workshop on ISRO Geoportal, Services & Outreach Activities for
Ministry of External Affairs Officials**

A special One Day Workshop with the officials of Ministry of External Affairs (MEA) was convened at RRSC North on 14th December under the chairmanship of Dr Prakash Chauhan, Director NRSC at Regional Remote Sensing Centre North, New Delhi. The MEA Delegation was led by Ms. Muanpii Saiawi, Joint Secretary, Disarmament & International Security Affairs Division.

The meeting covered wide range of topics starting with an overview on Modes of executing International cooperation projects through MEA. The MEA officials were briefed about the existing policy and institutional framework for geospatial data in India, highlighting recent reforms and initiatives relevant to MEA's work. Presentations were made on the CSSTEAP Program, MEA-Indian Technical and Economic Cooperation (ITEC), ASEAN-India Space Cooperation Program, IIRS-ITC Joint Education Programme. A practical demonstration was done showcasing the capabilities of Bhuvan. Demo was made on data and services made available under the India-Oman Space Program, Bhutan (Forest fire and Landslide), Mauritius, Data Warehouse for Empowering Pacific Island Countries (DWEPIC) Portal for the Forum for India–Pacific Islands Cooperation (FIPIC) etc. Presentations on National Information system for Climate and Environment Studies (NICES) along with Vedas & MOSDAC Portal was also made. A reference book containing valuable information on ISRO's Geoportal, relevant to the MEA, was released by Director NRSC & Joint Secretary (D&ISA)
