

User Order Processing System (UOPS) Update (30/MAR/2021)

Migration to NEW User Friendly EO Data Hub “Bhoonidhi”
(both **FREE & PRICED** data)

- ▶ NEW Bhoonidhi Version: <https://bhoonidhi.nrsc.gov.in>

Note:

- This version of Bhoonidhi supports “Single Sensor Ordering”
- For “Multi sensor ordering” like Stereo, Merged scenes kindly use existing UOPS services.
- For ordering data belonging to better than 1m resolution sensors please contact NDC, NRSC.

- ▶ Existing UOPS : <https://uops.nrsc.gov.in>

To use UOPS, kindly follow the following procedure as outlined in [this document \(v1.3\)](#)

UOPS will be disabled very soon...
