KV1 and KV2 students participating in NSD 2024 at KV1 Port Blair

Participation:

- Over 500 students from classes VI to XII participated in the event(KV1 and KV2)
- Around 1000 students visited the ISRO exhibition gallery at KV1
- Teachers and staff members also attended the NSD celebration

Outcomes:

- Students gained knowledge about India's space program and its achievements
- Encouraged interest in STEM education and careers in space research
- Fostered curiosity and enthusiasm for space exploration among students

FeedBack:

- The principals of KV1 and KV2 gave excellent feedback and also wanted similar kind of events online for students.
- The students were excited and motivated in the space science and wanted to participate in YUVIKA programs in future.

Conclusion:

- The National Space Day Celebration 2024 was a resounding success, thanks to the active participation of students, teachers, and guests. We look forward to organizing more such events to inspire future generations of space enthusiasts.
