

Silver Jubilee Seminar on “Urban Management & Water Conservation” organized by Environment Association of Bengaluru at Raman Research Institute, Bengaluru on July 08, 2023

Environmental Association of Bangalore (EAB) organized a Seminar on ‘Urban Management & Water Conservation’ on July 08, 2023 as part of Platinum Jubilee celebrations of Raman Research Institute (1948-2023) and Silver Jubilee of EAB (1998-2023) at RRI campus. As a Chief Guest, Dr. Prakash Chauhan, Director, NRSC inaugurated the seminar and released the Proceedings along with Dr Tarun Souradeep, Director, RRI and Dr. RG Nadadur, President, EAB. In his inaugural speech, Dr. Chauhan highlighted carbonization of the cities due to urbanization, coupled with rise in temperature. He also mentioned that all major cities, including Bengaluru, are facing their own challenges of depleting natural resources and as a growing economy, their urban centres feeling more pressure for resources. He emphasized the need for regular monitoring urban growth using space technology for generating scientific database for sustainable development of cities.

Release of Proceedings of Jubilee Seminar by dignitaries in RRI, Bengaluru

Inaugural Address by Dr. Prakash Chauhan, Director, NRSC
